Assessors of Waltham

Waltham Publishing Co., Printers, Waltham, Mass.

The assessors of cities, shall, on or before the fifteenth day of July in each year, and the assessors of towns having over five thousand inhabitants according to the latest census, state or national, shall, on or before the first day of August in each year, prepare street lists containing the names of all persons assessed by them for poll taxes for the current year. Such lists for cities and for towns divided into voting precincts, shall be arranged by voting precincts. They shall print such lists in pamphlet form, shall deliver to the registrars as many copies thereof as they may require, and shall hold the remaining copies for public distribution. In all other towns they shall, on or before the first day of August in each year cause lists of all persons assessed therein for poll taxes to be prepared and conspicuously posted in two or more public places in every such town.

The assessors shall name or designate in such street lists all buildings used as residences, in their order on the street where they are located, by giving the number or other definite description of each building, so that it can be readily identified, and shall place opposite to or under each number or other description of a building, the name, age and occupation of every person residing therein on the first day of April of the current year and assessed for a poll tax, and his residence on the first day of April of the preceding year.

If a male person resident in a city or town on the first day of April was not assessed for a poll tax, he shall, in order to establish his right to assessment, present to the assessors a statement, under oath, that he was on said day a resident of such city or town and liable to pay a poll tax therein, and a list under oath of his polls and estate, and shall also produce before the assessors two witnesses, who shall testify under oath, that they are voters of the ward or town in which such person desires to be registered, and that the statement of the applicant is true.

A male person who becomes a resident of a city or town after the first day of April and desiring to be registered as a voter, shall present to the assessors a statement under oath, that he has been a resident of such city or town for six months immediately preceding the election at which he claims the right to vote, and shall produce before the assessors two witnesses, who shall testify, under oath, that they are voters of the ward or town in which such person desires to be registered, and that the statement of the applicant is true.

If the assessors are satisfied that such statements are true, they shall, in the first case, assess such applicant for his polls and estate and give him a certificate of assessment, and in the second, give him a certificate that he has been a resident in such city or town the six months preceding such election; but in Boston no person shall be assessed as above provided later than the first day of October.

Regular meetings of the Board of Assessors are held on the first and third Mondays of each month, at 7.30 P. M.

Special meetings for the purpose of assessing any polls which may have been omitted in the assessment of April 1, will be held in the months of October and November.
